Explaining student visa conditions

- 8105** Cannot work more than 40 hours per fortnight while course is in session.
- 8202** Must maintain enrolment in registered course, maintain satisfactory course progress and maintain satisfactory attendance.
- 8516** Continue to satisfy the requirements of the grant of the student visa such as ensuring the main course of study matches your student visa or that you still have financial capacity.
- 8533** Notify education provider of change of address in Australia within seven days.
- 8501** Maintain health insurance.

What happens if I do not comply?

Nearly every year more than **4000 students** have their visas cancelled because of breaches of visa conditions.

A large number of those cancellations could have been avoided if only those students would have done that one thing:
communicate.

Communicate

Speak to your student adviser at your education provider as soon as possible if you are having trouble with your attendance or course progress or if you want to change your circumstances or address.

- Step 1:** Talk to your education provider about your problem as soon as possible.
- Step 2:** Find the answer on the department's website at:
www.immi.gov.au/students
- Step 3:** Ask questions by calling the department on **131 881**.

Beware of scams

- The department does not accept cash or credit card payments to staff in the field.
- The department does not send texts or links via email for payment of money.
